

Student Member Outcomes

Future Business Leaders of America, Inc. (FBLA) is the largest business Career and Technical Student Organization in the world. FBLA inspires and prepares students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences.

Want to join or start a chapter? Visit www.fbla.org.

64% of FBLA members carry an "A" grade point average. The national average is 47%.

FBLA member participation outranks the national average in these high school courses:

57% of FBLA members say the organization has a positive impact on their academic performance

36% of FBLA members say they are first-generation college students

Of the business educators surveyed:

46% reported that a lack of interest by students was the biggest problem facing their business program.

63% worked with industry leaders by having them speak to students in the classroom.

When choosing a college/university, FBLA members look for a school that provides:

- Affordability
- Career Preparation
- Academic Strength
- Social Environment
- Diversity of Academic Opportunities
- Class Sizes/Student-Faculty Ratio
