# Welcome to Orlando Colorado FBLA!

I am beyond excited to make this first special NLC edition of Colorado FBLA today! As a 2x attendee of the conference, I know how difficult it can be to navigate for members and advisers alike, so this newsletter is made just for you! I'm counting down the days until Nationals and can't wait to see you there!

# Introduction to NLC

## Tips and tricks from the CO FBLA State President

I am honored and excited to introduce myself as your 2024-2025 state president! My name is Yaelyn Chavez, and I am from Roosevelt High School in Johnstown, NOCO. FBLA has been an instrumental part of my life from a young age, with my older sister serving as a State officer back in 2016. I am extremely grateful for the opportunity to grow both as a leader and as an individual these past few years. Serving as your former District One State Officer allowed me to develop my leadership skills significantly, meet incredible members, and so much more. I cannot wait to see what this new term has in store for all of us! I look forward to an incredible membership year starting in August, but for now, I know we are all excited about the National Leadership Conference in Orlando. Orlando, Florida is well known for Disney World, Universal Studios, beautiful beaches, and more. Make sure to thoroughly enjoy your time with your chapter and have fun on your daily adventures, but keep other important aspects in mind as well:

Networking is a primary part of FBLA. While at the national conference, step out of your comfort zone and get to know members from around the country. I personally recommend bringing Uno—it's a big crowd pleaser for late nights in the hotel lobby. The people you meet at NLC can become close friends despite large distances, so never rule out an interaction due to location. Pin trading is another great way to get involved. While some see it as a way to start up a temporary business, it's also an incredible opportunity to both network and negotiate with members. I hope you all have great luck in finding the rarest of this year's pins. Put yourself out there; you never know who you can meet and what you can learn from others!

Let's show FBLA what Colorado has to offer. While Nationals is a fun summer trip, let us not forget why we're all heading to Orlando this year. Prioritize your event when needed. Prepare for your presentations, study for your tests, and get excited for competition. Check out the Colorado FBLA Youtube account for videos on body language, studying tips, presentation components, and more from the previous state officer team. Let us see how often we can hear Colorado get called up on stage at awards!

I wish all of Colorado FBLA an amazing summer and applaud you all for making it through the school year. Please feel free to reach out to me on Instagram at any time. I can't wait to see what Colorado FBLA will accomplish this summer!

Best,  
Yaelyn Chavez
