2023-2024 Topic

Sun Motor Company is a fictitious auto manufacturer selling internal combustion (gas-powered) vehicles primarily in the United States. Sun Motor Company executives have expressed interest in the potential that electric vehicles could bring to the business. Your team is a consultant making data-driven recommendations for the executives. Using the datasets given at [THIS LINK](#) analyze the data and provide analyses and recommendations about the opportunities and challenges facing the business. Not all datasets need to be included in the analysis and you are encouraged to include outside research.

District

Presentation set-up time can vary by District. Check the Call to Conference for your District for specific instructions and deadlines.

State

Presentation events will have a 1-minute set-up time. Presentations will happen in a large ballroom, and all competitors will present in the preliminary round and will be given Internet access. Colorado FBLA will not be providing power, a projector, or screen for final presentations.

National

2023-24 Competitive Events Guidelines

Data Analysis

- Members may compete in an event at NLC more than once if they have not previously placed in the top ten of that event at NLC. If a member places in the top ten of an event at NLC, they are no longer eligible to compete in that event.
- Members must be registered for the NLC and pay the national conference registration fee in order to participate in competitive events.
- Members must stay in an official FBLA hotel in order to compete.
- Each state may submit four entries.
- Each competitor can only compete in one individual/team event and one chapter event (American Enterprise Project, Community Service Project, Local Chapter Annual Business Report, Partnership with Business Project).
- Only competitors are allowed to plan, research, prepare, and set up their presentations.
- Each competitor must compete in all parts of an event for award eligibility.
- All members of a team must consist of individuals from the same chapter.
- Picture identification (driver's license, passport, state-issued identification, or school-issued identification) is required when checking in for competitive events.
- If competitors are late for a presentation time, they will be allowed to compete until such time that results are finalized, or the accommodation would impact the fairness and integrity of the event. Competitive events start in the morning before the Opening Session of NLC.

Recognition

- The number of competitors will determine the number of winners. The maximum number of winners for each competitive event is 10.

Event Administration

- This event has two parts: preliminary presentation and final presentation
- Preliminary Presentation Information
 - **Equipment Set-up Time:** 3 minutes
 - **Presentation Time:** 7 minutes (one-minute warning)
 - **Question & Answer Time:** 3 minutes
 - **Internet Access:** Provided (Internet access may not be Wi-Fi, so competitors should plan appropriately when selecting devices on which to present. Please note that internet reliability at any conference venue cannot be guaranteed. Always have a backup plan in case internet connections go down.)
 - Competitors/teams are randomly assigned to sections.
 - The presentation is judged at the NLC. Preliminary presentations are not open to conference attendees. The presentation will take place in a large, open area, with a booth size of approximately 12' x 12'.
 - Competitors present directly from a laptop/device. Screens and projectors are not allowed for use, and competitors are not allowed to bring their own. Power will not be available.
 - Competitors can present with and bring any of the following technology into the presentation as long as it fits on the small table in front of the judges' table or is held by the competitors:
