## What is FBLA?

In preparation for an active leadership role, today's classroom instruction is not enough to develop strong, assertive leaders. Through Future Business Leaders of America (FBLA), members learn how to lead and participate in-group discussions, preside at meetings and conferences, work effectively within committees and engage in practical problem solving and decision making. Members learn the value of competition on local, district, state and national levels by experiencing the responsibility of success as well as the challenge of defeat.

Future Business Leaders of America can function as an integral part of the instructional program of the business curriculum in secondary schools. FBLA is composed of active, professional, honorary life and national honorary life members and is the secondary division of FBLA-PBL, Inc.

All chapters and the national organization are guided in their plans and activities by advisory committees—business instructors, professional member, school administrators and/or businessmen and women.

## Purpose

The purpose of FBLA is to provide, as an integral part of the instructional program, additional opportunities for secondary students (grade 9-12) in business and/or business-related fields to develop career and technical supportive competencies, and to promote civic and personal responsibilities.

## Mission

FBLA-PBL inspires and prepares students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences.

## Programs

FBLA-PBL's programs focus on:

- **Leadership Development**—members develop essential soft skills by holding chapter officer positions at the local, state, and national levels; by networking with accomplished business professionals; and by participating in business-focused workshops, seminars, and academic competitions.
- **Academic Competitions**—members demonstrate their business expertise at high-profile regional, state, and national competitive events. The top students are recognized with trophies and cash awards. Learn more about FBLA, PBL, and FBLA-Middle Level competitive events.
- **Educational Programs**—members create career portfolios, enhance their knowledge with world-recognized skills certifications, and have access to select college scholarships. Learn more about educational programs for FBLA, PBL, and FBLA-Middle Level.
- **Membership Benefits**—members receive exclusive discounts and enhanced benefits for travel, education, and more. Learn about the benefits available to FBLA, PBL, and FBLA-Middle Level members.
- **Community Service**—members work with the March of Dimes to help end premature births by participating in awareness campaigns and the March for Babies fundraiser. Discover how FBLA, PBL, and FBLA-Middle Level members support the March of Dimes.
- **Awards & Recognition**—members build a portfolio of accomplishments with a wide range of awards programs. Learn more about FBLA, PBL, and FBLA-Middle Level awards programs.

## FBLA-PBL Divisions
