Competitive Events

Policies

The [national guidelines](#) will be followed for rating sheets.

A photo ID and nametag (provided) are required to compete at the District Leadership Conference

Role-play events are not allowed to carry anything in with them. They are ONLY allowed the two notes provided in the prep room. Please ask your students to leave their phone with a friend before entering holding.

Role Play Event Scoring: 75% of each team's overall score will be based on a team's performance score and the other 25% of each team's overall score will be based on the team's objective test score.

Only the top 10 test scores will perform at the District Leadership Conference.

No substitutions are allowed in between the test and role play rounds. Competitors must complete all portions of competitions to qualify for the next level of competition.

If an event has a prejudged or objection test portion that is not submitted by the deadline, they will NOT be able to perform in the live portion of their event.

Timing

All live events are held to a 10-minute round. Note this is different timing at the State/National level (except for speaking events). This is due to our time and location restraints.

Hold	Prep	Present
10 minutes	10 minutes	10 minutes

****There is no time built in Q&A time. It is recommended that students plan to use part of their 10 minutes for Q&A.**

****There is no set up or tear down time built in. Students must use part of their 10 minutes for these activities.**

SPEECH EVENTS ONLY

Hold	Prep	Present
10 minutes	10 minutes	5 minutes

In a situation we have more than 16 teams an event, we will conduct multiple sections. Communication in this situation will be emailed.

By Chapter: For chapter limitations, it depends on your chapter membership. Refer to the Competitive Events Elements List.

- 1-49 members: 3 entries
- 50-100 members: 4 entries
- 101-150 members: 5 entries

- 151-199 members: 6 entries
- 200+ members: 7 entries

Online Testing

Online Testing Window: January 5 - January 16, 2026

Online Testing Timing: 7:00 am – 7:00 pm during the testing window, must be completed at school with a proctor.

When your testing window opens, advisers will be able to download testing tickets from the Blue Panda registration site. Login to your Blue Panda portal and click on the “E-Testing Login Cards” button to download testing cards in PDF or Excel format. Advisers and students are expected to arrange for proctored test times during the school day, with a school adult serving as a proctor. Students should not be provided with their test login information outside of their designated testing time. Please ensure computers with internet access are available during this window for your students to test.

Procedural Reminder: Team objective tests are taken individually by each team member. The scores of all team members will be averaged to determine the average team score. Any team member who does not sign in within 15 minutes of other team members and take the test will be removed from the team and prevented from advancing to the next level of competition.

Test Security: Due to high test security measures, Colorado FBLA recommends that testing is completed on a laptop or desktop computer instead of a tablet. Please discourage students from using the computer keyboard or clicking anywhere outside of the test screen, including checking computer battery life.

Prejudged Events

Deadline: January 16, 2026

By 11:59 pm, **advisers** must submit the required prejudged elements of the events listed below through the Blue Panda registration site. Competitors must complete all portions of competitions to qualify for the next level of competition. Advisers can find instructions on page 6 of the DLC Registration Tutorial document posted at www.coloradofbla.org/dlc. **Please ensure all submissions are publicly accessible so judges can complete scoring.**

Competitors in Computer Applications will have a 2-hour production test to complete prior to the District Leadership Conference. Information will be sent to advisers via email at the beginning of January for the production test. Advisers will be responsible for finding a proctor to administer the production test and then uploading all elements as assets to the Blue Panda registration site. **Please ensure all submissions are publicly accessible so judges can complete scoring.**

State Leadership Conference

The top three competitors in objective testing events, and the top four competitors in “live” events, are eligible to attend and compete at the 2026 State Leadership Conference, held April 2-4. [More information about State Leadership Conference will be posted online on the state website.](#)

State Qualifier Policies

If a student would qualify for the State Leadership Conference in two events, the student's adviser must notify district leadership ASAP which event the student wishes to enter at the State Leadership Conference.

State Qualifiers/Bump Ups

We will be using a spreadsheet to determine students who will be attending State. The FBLA Board Rep, Katie Pettee, will pull the top 10 in order from every event and place them in a Google Sheet. Chapter advisers must highlight students red or green (red=not attending state, green=attending state or would like to if bumped up). This needs to be completed by **FEBRUARY 10, 2026**, at which time we will have our state competitors from District 10 by pulling the top 4 green students in live events and top 3 green students in non-live events. NOTE: if you do not highlight a student, they will be passed over to the next student in green.

It is HIGHLY recommended that you provide your students a tentative price and agenda to attend State prior to our district conference and have on file which students would like to attend if they qualify or are bumped up. You will also need to know which event your student would like to attend if they make it in two.

**** DO NOT FILTER THIS SPREADSHEET, RATHER USE CTRL+F TO SEARCH FOR A STUDENT (filtering it does not move the highlighting with the moving of names and we have to start over then as a full district highlighting students)**

Team Events: Competitors must complete all portions of competitions to qualify for the next level of competition. The maximum registered number on the team must be maintained or can decrease; for example, a team of 2 at DLC cannot increase to a team of 3 for SLC.

Are Substitutions Allowed between DLC and SLC? Substitution Policy:

- Competitors must complete all portions of competitions to qualify for the next level of competition. If a student on a team did not complete all portions of their event at DLC, including the presentation, they will be dropped from the team and the team size will be decreased for SLC.
- **INDIVIDUAL/TEAM EVENTS. Only Team Substitutions Allowed, With Exceptions.** If competing as a team that does **not** require a **pre-judged** component (see below), you may substitute one (1) member of a team originally comprised of 2 or 3 members. If competing as an individual, no substitutions are allowed, and his or her spot is forfeited to the next eligible competitor.
- **INDIVIDUAL EVENTS. No.** Substitutions are not allowed for individual events. If an individual cannot participate in the next level of competition, his or her spot is forfeited to the next eligible competitor.
- **PARLIAMENTARY PROCEDURE. Yes, With Exceptions.** You may make substitutions if at least two (2) members of a team of 4, or three (3) members from a team of 5, remain on the team that advances to the next level of competition. Maximum number of substitutions allowed is two (2).

- **PREJUDGED EVENTS.** No. Substitutions are not allowed for prejudged events. However, a team may drop a member if allowed in the event guidelines. If an individual or team cannot participate in the next level of competition, their spot is forfeited to the next eligible individual or team.

Dress Code

The [FBLA National Dress Code](#) will be in effect. BLA members and advisers should develop an awareness of the image one's appearance projects. The purpose of the dress code is to uphold the professional image of the association and its members and to prepare members for the business world. Appropriate attire is required for members during competitive events.

DRESS CODE

Projecting a professional image is vital for business leaders to demonstrate respect for clients, colleagues, and others. This policy is to provide guidance for conference attendees—students, advisers, and guests. Professional business attire is required at all general sessions, competitive events, exhibits, regional meetings, workshops, and other activities unless otherwise indicated in conference materials.

Conference name badges are considered part of the dress code and must be worn at all conference functions. For safety reasons, do not wear conference badges outside of the conference area. The dress code is gender neutral.

FAQs

Q: *Where do I go to register?*

A: Go to app.bluepanda.com to register for your District Leadership Conference. Click Login with FBLA Connect and use your same credentials. Select Colorado FBLA from the dropdown menu at the top, and then begin your registration for the District Leadership Conference. Follow the DLC Registration Tutorial for step-by-step instructions.

Q: *What is my username and password?*

A: You will login using the same credentials you use to access FBLA Connect. If you cannot login to FBLA Connect, please submit a Help Desk ticket from connect.fbla.org or contact Molly Davis, molly.davis@cccs.edu.

Q: *I have a student that needs an accommodation.*

A: Please list all accommodations in the registration system. Follow the DLC Registration Tutorial for step-by-step instructions.

Q: *How do I know that my registration has been received?*

A: Make sure to click SUBMIT at the end. If you have received an e-mail confirmation, you are officially registered. Follow the DLC Registration Tutorial for step-by-step instructions.

Q: *In how many events can a student participate?*

A: No more than two, only one can be a “live” event (highlighted in the Event Element and Limitation list). Refer to the Competitive Events Element list above.

Q: *How many entries does my chapter receive for each event?*

A: For testing events, chapters receive unlimited entries. For membership-based entries, it depends on your chapter membership. Refer to the Competitive Events Element list above.

- 1-49 members: 3 entries
- 50-100 members: 4 entries
- 101-150 members: 5 entries
- 151-200 members: 6 entries
- 201+ members: 7 entries

Q: *What are the rules on if a member competed in the event before?*

A: The [national guidelines are followed](#). Members may compete in an event more than once if they have not previously placed in the top ten of that event at the National Leadership Conference. If a member places in the top ten of an event at NLC, they are no longer eligible to compete in that event. This includes events that stayed the same but had a name change. Refer to the [2025-26 Competitive Events Changes](#) document for events that underwent a name change.

Q: *Help! I’ve logged in but I don’t see a member!*

A: Verify that your student was on a paid or pending invoice through FBLA Connect. If not, it means the student was not registered by the December 1st deadline to be eligible to compete.

Q: *Help! I can’t log in!!*

A: Click the “Login with FBLA Connect” button from Blue Panda, and then use the same credentials you use when logging into the FBLA Connect membership system. Follow the DLC Registration Tutorial for step-by-step instructions. If you are still unable to log in, you may be blocked from registering because of an owed balance. Contact Molly Davis at molly.davis@cccs.edu.

Q: *Where is the information on taking tests?*

A: Tests will all take place online, prior to the District Leadership Conference. Advisers will login to Blue Panda when your District testing window opens to download testing tickets. Look for a button titled “E-Testing Login Cards.” The button will not show up on your screen until your window opens.

Q: *How long are the online tests?*

A: Each test is timed and will time out after 50 minutes. If your student needs a testing accommodation, you must list it during conference registration.

Q: *Can students start the test on one day and finish it on another?*

A: No. Students must take the test in one sitting.

Q: *What if I have several students on a team? Do they each take an individual test, or do they collaboratively take one test?*

A: The students will take the test individually. Team objective tests are taken individually by each team member. The scores of all team members will be averaged to determine the average team score. Any team member who does not sign in within 15 minutes of other team members and take the test will be removed from the team and prevented from advancing to the next level of competition.

Q: *Where is the information on the production events?*

A: The production part of the Computer Applications event takes place prior to the District Leadership Conference. Information about production tests will be sent out in January via email.

Colorado FBLA Code of Conduct

The purpose of the Code of Conduct is to ensure that FBLA members who attend a conference are aware of expected behavior. It is the adviser's responsibility to discuss the form with the members and stress the importance of abiding by the rules. Colorado FBLA is proud of its reputation and encourages advisers to closely monitor students at all conferences. Advisers must have a signed Code of Conduct in their possession at all FBLA activities and must submit a Certification Form certifying that all members have read and signed the Verification Form.

CONDUCT POLICIES AND PROCEDURES FOR COLORADO FBLA

The following conduct policies reflect minimum behavioral standards for Colorado FBLA members. The policies are in effect for all delegates who are attending any Local, State or National FBLA function. The term "delegate" shall mean any FBLA member.

- Defacing of public property—any damage to or loss of property or furnishings of the properties being utilized for meeting purposes will be paid for by the individual or chapter responsible.
- Delegates shall keep their adult advisers informed of their activities and whereabouts at all times.
- Delegates will not be allowed to leave the conference site at any time without adult supervision.
- Members will be prohibited from participation without local supervision provided by the chapter or school. For the National Leadership Conference a designated local adviser or parent will be expected to accompany the participants.
- Delegates shall not use their own cars or ride in cars belonging to others during the conference unless accompanied by an adviser or other responsible adult.
- Alcoholic beverages and controlled or illegal substances (drugs) of any form are not allowed. These items must not be used or possessed at any time, or under any circumstances. Use or possession of such substances may subject the delegate to criminal prosecution.
- Use of tobacco in any form by an FBLA member is prohibited, including e-cigarettes.
- Participants will NOT be admitted to conference activities and competitive events if in violation of the dress code. Furthermore, competitors will not walk on stage during awards sessions if observed violating the dress code.
- Observe the curfews as listed in the conference program. Curfew is defined as being in your own assigned room by the designated hour.
- Members of the opposite sex are not allowed in sleeping rooms in hotels or motels unless the door is WIDE OPEN or the chapter adviser or responsible adult is present in the room.
