Competitive Events

Policies

The [national guidelines](#) will be followed, including rating sheets. The timing for presentations may vary. All information regarding the presentation times for events will be communicated through email and/or this Call to Conference.

Competitors must complete all portions of competitions to qualify for the next level of competition. If a competitor is registered for a team event but does not present with their team, that individual will be dropped from the team. If an event has a prejudice and/or objective test included with a presentation, students must complete all pre-conference items to be able to present on site. Students who do not submit prejudice items will be disqualified before the live presentations.

Competitors must check-in at their holding time prior to their event. Failure to do so will result in disqualification, unless due to chapter traveling complications, weather, etc. Chapter Adviser(s) must communicate with the District 9 Board Member or District 9 State Officer immediately at the District Leadership Conference if an issue arises.

Role Play Event Scoring:

The online objective test score will be used to determine qualification for the roleplay round. The teams with the Top 10 objective test scores (average of all team members) will present live at the District Leadership Conference.

75% of each team's overall score will be based on a team's performance score and the other 25% of each team's overall score will be based on the team's objective test score.

No substitutions are allowed in between the test and role play rounds.

Objective Tests:

Members must score a minimum of 25% on their Objective Test to be eligible to qualify for the State Leadership Conference.

Event Entries

By Member: Each member can enter in a maximum of two events. Only one can be a "live", membership entry-based, non-testing event (shown in yellow highlights). Refer to the Competitive Events Elements List included in this document.

By Chapter: For chapter limitations, it depends on your chapter membership. Refer to the Competitive Events Elements List.

- 1-49 members: 3 entries
- 50-100 members: 4 entries
- 101-150 members: 5 entries

Online Testing

Online Testing Window: January 12th-23rd, 2026

Online Testing Timing: 7:00 am – 7:00 pm during the testing window, must be completed at school with a proctor.

When your testing window opens, advisers will be able to download testing tickets from the Blue Panda registration site. Login to your Blue Panda portal and click on the “E-Testing Login Cards” button to download testing cards in PDF or Excel format. Advisers and students are expected to arrange for proctored test times during the school day, with a school adult serving as a proctor. Students should not be provided with their test login information outside of their designated testing time. Please ensure computers with internet access are available during this window for your students to test.

Procedural Reminder: Team objective tests are taken individually by each team member. The scores of all team members will be averaged to determine the average team score. Any team member who does not sign in within 15 minutes of other team members and take the test will be removed from the team and prevented from advancing to the next level of competition.

Test Security: Due to high test security measures, Colorado FBLA recommends that testing is completed on a laptop or desktop computer instead of a tablet. Please discourage students from using the computer keyboard or clicking anywhere outside of the test screen, including checking computer battery life.

Refer to the [2025-26 Competitive Events Changes](#) document for events that underwent a name change.

Colorado FBLA Code of Conduct

The purpose of the Code of Conduct is to ensure that FBLA members who attend a conference are aware of expected behavior. It is the adviser's responsibility to discuss the form with the members and stress the importance of abiding by the rules. Colorado FBLA is proud of its reputation and encourages advisers to closely monitor students at all conferences. Advisers must have a signed Code of Conduct in their possession at all FBLA activities and must submit a Certification Form certifying that all members have read and signed the Verification Form.

CONDUCT POLICIES AND PROCEDURES FOR COLORADO FBLA

The following conduct policies reflect minimum behavioral standards for Colorado FBLA members. The policies are in effect for all delegates who are attending any Local, State or National FBLA function. The term "delegate" shall mean any FBLA member.

- Defacing of public property—any damage to or loss of property or furnishings of the properties being utilized for meeting purposes will be paid for by the individual or chapter responsible.
- Delegates shall keep their adult advisers informed of their activities and whereabouts at all times.
- Delegates will not be allowed to leave the conference site at any time without adult supervision.
- Members will be prohibited from participation without local supervision provided by the chapter or school. For the National Leadership Conference a designated local adviser or parent will be expected to accompany the participants.
- Delegates shall not use their own cars or ride in cars belonging to others during the conference unless accompanied by an adviser or other responsible adult.
- Alcoholic beverages and controlled or illegal substances (drugs) of any form are not allowed. These items must not be used or possessed at any time, or under any circumstances. Use or possession of such substances may subject the delegate to criminal prosecution.
- Use of tobacco in any form by an FBLA member is prohibited, including e-cigarettes.
- Participants will NOT be admitted to conference activities and competitive events if in violation of the dress code. Furthermore, competitors will not walk on stage during awards sessions if observed violating the dress code.
- Observe the curfews as listed in the conference program. Curfew is defined as being in your own assigned room by the designated hour.
- Members of the opposite sex are not allowed in sleeping rooms in hotels or motels unless the door is WIDE OPEN or the chapter adviser or responsible adult is present in the room.
- Colorado FBLA photographers and videographers will be taking photos and videos throughout the conference for use in any manner FBLA deems appropriate including, but not limited to, publishing in FBLA publications, on the FBLA website, and in connection with competitive performance events. By attending the conference, you grant FBLA the right, without approval, to photograph, record, use, and edit your photograph, video, image, likeness, appearance, performance, and any other indicia of identity, in any format whatsoever, and to publish, disseminate, exhibit, publicly display, give, sell, and/or transfer the same in any and all forms of media or distribution now known or hereafter discovered or developed (including, but not limited to, print media, Internet, Web casting, video streaming, television or radio), for the use of FBLA, its affiliates, or any individual, organization, business, publication, network or other third party, in perpetuity, without payment or any consideration.

DISREGARDING OR VIOLATING THE CODE OF CONDUCT

Delegates who disregard or violate this code will be subject to disciplinary action, including, but not limited to, competitive event disqualification, forfeiture of privileges to attend further events, confinement to your hotel room, dismissal from the conference, and being sent home at your own expense. Parents and/or guardians will be notified and FBLA reserves the right to notify law enforcement. Any Code of Conduct violation must be brought to the attention of the state adviser prior to the conclusion of the conference.
