

IT'S BACK OLD TOWN THROW DOWN

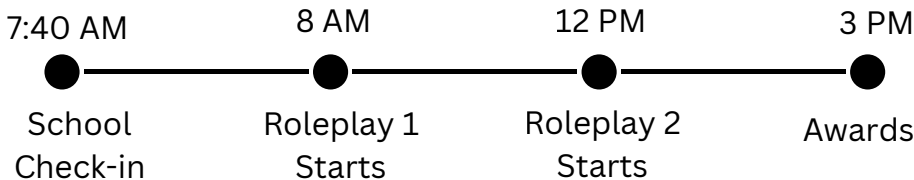

October 6,
2026

Industry Experience Roleplay

Partnering with local Fort Collins businesses, students will participate in a traditional "ballroom" style roleplay and an experiential roleplay. This immersive event will take place at the business location of the case study scenario. **Event selection will be in the fall. Limited spots per event.**

Tentative Schedule

Don't take our word for it

This was SO MUCH FUN! Our kids had a great time and it went so well. I love that you incorporated competition inside of real businesses and within the community. - **DECA Advisor**

We had such a great time and hope this event happens again next year! We were very impressed with the creativity and confidence in the students. Next year we might even leave information for students for internships! Very fun event to be a part of. - **The Armstrong Hotel**
