Competitive Events

Policies

The [national guidelines](#) will be followed, including rating sheets. The timing for presentations may vary. All information regarding the presentation times for events will be communicated through email and/or this Call to Conference.

Competitors must complete all portions of competitions to qualify for the next level of competition. If a competitor is registered for a team event but does not present with their team, that individual will be dropped from the team. If an event has a prejudge and/or objective test included with a presentation, students must complete all pre-conference items to be able to present on site. Students who do not submit prejudge items will be disqualified before the live presentations.

Role Play event scoring: The preliminary round will have a weighted score. 75% of each team's overall preliminary score will be based on a team's performance score and the other 25% of each team's overall preliminary score will be based on the team's objective test score. No substitutions are allowed in between the test and role play rounds.

Event Entries

By Member: Each member can enter in a maximum of two events. Only one can be a "live", membership entry based, non-testing event (shown in yellow highlights). Refer to the Competitive Events Elements List included in this document.

By Chapter: For chapter limitations, it depends on your chapter membership. Refer to the Competitive Events Elements List.

- 1-49 members: 3 entries
- 50-100 members: 4 entries
- 101-150 members: 5 entries
- 151-199 members: 6 entries

Online Testing

Online Testing Window: Jan. 5- Jan 23, 2026

Online Testing Timing: 7:00 am – 7:00 pm during the testing window, must be completed at school with a proctor.

When your testing window opens, advisers will be able to download testing tickets from the Blue Panda registration site. Login to your Blue Panda portal and click on the “E-Testing Login Cards” button to download testing cards in PDF or Excel format. Advisers and students are expected to arrange for proctored test times during the school day, with a school adult serving as a proctor. Students should not be provided with their test login information outside of their designated testing time. Please ensure computers with internet access are available during this window for your students to test.

Procedural Reminder: Team objective tests are taken individually by each team member. The scores of all team members will be averaged to determine the average team score. Any team member who does not sign in within 15 minutes of other team members and take the test will be removed from the team and prevented from advancing to the next level of competition.

Test Security: Due to high test security measures, Colorado FBLA recommends that testing is completed on a laptop or desktop computer instead of a tablet. Please discourage students from using the computer keyboard or clicking anywhere outside of the test screen, including checking computer battery life.

If competing as an individual, no substitutions are allowed, and his or her spot is forfeited to the next eligible competitor.
- **INDIVIDUAL EVENTS. No.** Substitutions are not allowed for individual events. If an individual cannot participate in the next level of competition, his or her spot is forfeited to the next eligible competitor.

- **PARLIAMENTARY PROCEDURE. Yes, With Exceptions.** You may make substitutions if at least two (2) members of a team of 4, or three (3) members from a team of 5, remain on the team that advances to the next level of competition. Maximum number of substitutions allowed is two (2).
- **PREJUDGED EVENTS. No.** Substitutions are not allowed for prejudged events. However, a team may drop a member if allowed in the event guidelines. If an individual or team cannot participate in the next level of competition, their spot is forfeited to the next eligible individual or team.

A: Go to app.bluepanda.com to register for your District Leadership Conference. Click Login with FBLA Connect and use your same credentials. Select Colorado FBLA from the dropdown menu at the top, and then begin your registration for the District Leadership Conference. Follow the DLC Registration Tutorial for step-by-step instructions.

Q: *What is my username and password?*

A: You will login using the same credentials you use to access FBLA Connect. If you cannot login to FBLA Connect, please submit a Help Desk ticket from connect.fbla.org or contact Molly Davis, molly.davis@cccs.edu.

A: Please list all accommodations in the registration system. Follow the DLC Registration Tutorial for step-by-step instructions.

Q: *How do I know that my registration has been received?*

A: Make sure to click SUBMIT at the end. If you have received an e-mail confirmation, you are officially registered. Follow the DLC Registration Tutorial for step-by-step instructions.

Q: *In how many events can a student participate?*

A: No more than two, only one can be a “live” event (highlighted in the Event Element and Limitation list). Refer to the Competitive Events Element list above.

Q: *How many entries does my chapter receive for each event?*

A: For testing events, chapters receive unlimited entries. For membership-based entries, it depends on your chapter membership. Refer to the Competitive Events Element list above.

- 50-100 members: 4 entries
- 101-150 members: 5 entries
- 151-200 members: 6 entries
- 201+ members: 7 entries

Q: *What are the rules on if a member competed in the event before?*

A: The [national guidelines are followed](#). Members may compete in an event more than once if they have not previously placed in the top ten of that event at the National Leadership Conference. If a member places in the top ten of an event at NLC, they are no longer eligible to compete in that event. This includes events that stayed the same but had a name change. Refer to the [2025-26 Competitive Events Changes](#) document for events that underwent a name change.

Q: *Help! I’ve logged in but I don’t see a member!*

A: Verify that your student was on a paid or pending invoice through FBLA Connect. If not, it means the student was not registered by the December 1st deadline to be eligible to compete.

Q: *Help! I can’t log in!!*

A: Click the “Login with FBLA Connect” button from Blue Panda, and then use the same credentials you use when logging into the FBLA Connect membership system. Contact Molly Davis at molly.davis@cccs.edu.

Q: *Where is the information on taking tests?*

A: Tests will all take place online, prior to the District Leadership Conference. Advisers will login to Blue Panda when your District testing window opens to download testing tickets. Look for a button titled "E-Testing Login Cards." The button will not show up on your screen until your window opens.

Q: *How long are the online tests?*

A: Each test is timed and will time out after 50 minutes. If your student needs a testing accommodation, you must list it during conference registration.

Q: *Can students start the test on one day and finish it on another?*

A: No. Students must take the test in one sitting.

Q: *What if I have several students on a team? Do they each take an individual test, or do they collaboratively take one test?*

A: The students will take the test individually. Team objective tests are taken individually by each team member. The scores of all team members will be averaged to determine the average team score. Any team member who does not sign in within 15 minutes of other team members and take the test will be removed from the team and prevented from advancing to the next level of competition.

Q: *Where is the information on the production events?*

A: The production part of the Computer Applications event takes place prior to the District Leadership Conference. Information about production tests will be sent out in January via email.

Colorado FBLA Code of Conduct

The purpose of the Code of Conduct is to ensure that FBLA members who attend a conference are aware of expected behavior. It is the adviser's responsibility to discuss the form with the members and stress the importance of abiding by the rules. Colorado FBLA is proud of its reputation and encourages advisers to closely monitor students at all conferences. Advisers must have a signed Code of Conduct in their possession at all FBLA activities and must submit a Certification Form certifying that all members have read and signed the Verification Form.

CONDUCT POLICIES AND PROCEDURES FOR COLORADO FBLA

The following conduct policies reflect minimum behavioral standards for Colorado FBLA members. The policies are in effect for all delegates who are attending any Local, State or National FBLA function. The term "delegate" shall mean any FBLA member.

- Defacing of public property—any damage to or loss of property or furnishings of the properties being utilized for meeting purposes will be paid for by the individual or chapter responsible.
- Delegates shall keep their adult advisers informed of their activities and whereabouts at all times.
- Delegates will not be allowed to leave the conference site at any time without adult supervision.
- Members will be prohibited from participation without local supervision provided by the chapter or school. For the National Leadership Conference a designated local adviser or parent will be expected to accompany the participants.
