Competitive Events

Policies

The national guidelines will be followed, including rating sheets. The timing for presentations may vary. All information regarding the presentation times for events will be communicated through email and/or this Call to Conference.

Competitors must complete all portions of competitions to qualify for the next level of competition. If a competitor is registered for a team event but does not present with their team, that individual will be dropped from the team. If an event has a prejudge and/or objective test included with a presentation, **students must complete all pre-conference items to be able to present on site.** Students who do not submit prejudge items will be disqualified before the live presentations.

Role Play event scoring: The scoring model used to determine the final winners will have a weighted score. 50% of each team's overall score will be based on the team's performance score and the other 50% of each team's overall score will be based on the team's averaged objective test score. This is the new scoring standard for all Colorado FBLA District Leadership Conferences. No substitutions are allowed in between the test and role play rounds.

Event Entries

By Member: Each member can enter in a maximum of two events. Only one can be a "live", membership entry based, non-testing event (shown in yellow highlights). Refer to the Competitive Events Elements List included in this document.

By Chapter: For chapter limitations, it depends on your chapter membership. Refer to the Competitive Events Elements List.

- 1-49 members: 3 entries per event
- 50-100 members: 4 entries per event
- 101-150 members: 5 entries per event
- 151-199 members: 6 entries per event
- 200+ members: 7 entries per event

Online Testing

Online Testing Window: January 4th - January 15th
Online Testing Timing: 7:00 am – 7:00 pm during the testing window, must be completed at school with a proctor.
When your testing window opens, advisers will be able to download testing tickets from the Blue Panda registration site. Login to your Blue Panda portal and click on the "E-Testing Login Cards" button to download testing cards in PDF or Excel format. Advisers and students are expected to arrange for proctored test times during the school day, with a school adult serving as a proctor. Students should not be provided with their test login information outside of their designated testing time. Please ensure computers with internet access are available during this window for your students to test.

Procedural Reminder: Team objective tests are taken individually by each team member. Team members must sign into the testing system within 15 minutes of their team members, or the team will be disqualified and prevented from advancing to the next level of competition. The scores of all team members will be averaged to determine the average team score.

Test Security: Due to high test security measures, Colorado FBLA recommends that testing is completed on a laptop or desktop computer instead of a tablet. Please discourage students from using the computer keyboard or clicking anywhere outside of the test screen, including checking computer battery life.

Prejudged Events

Deadline: January 15, 2026

Business Achievement Awards

The Business Achievement Awards are an opportunity for individual members to be recognized for enhancing their leadership skills, expanding their business knowledge and contributing to their local communities. There are four levels for the Business Achievement Awards: Contributor, Leader, Advocate and Capstone. Learn more at this link.

State Leadership Conference

The top three competitors in all events ***(this is a change from last year)*** are eligible to attend and compete at the 2027 State Leadership Conference, held April 25th – 27th. More information about the State Leadership Conference will be posted online on the state website.

State Qualifier Policies

If a student would qualify for the State Leadership Conference in two events, the student's adviser must notify district leadership ASAP which event the student wishes to enter at the State Leadership Conference. The top 3 winners in each event will automatically qualify to compete at the State Leadership Conference. If a top 3 winner does not want to move forward, students/teams in places 4-10 will have the opportunity to be bumped up. Your District's Board Representative will send out the final list of eligible competitors after the bump up process is completed.

State Qualifiers/Bump Ups

We will be using a spreadsheet to determine students who will be attending State. I will pull the top 10 students in order from every event and place them in a google sheet. I will ask advisors to highlight students red or green (red= not attending state, green=attending state). This needs to be completed by **February 12, 2027** at which time I will determine our state competitors from District 5 by pulling the top 3 green highlighted students from each event. Note that if you do not highlight a student I will pass over them to the next student in green.

It is HIGHLY recommended that you provide your students a tentative price and agenda to attend State prior to our district conference and have on file which students would like to attend if they qualify or are bumped up. You will also need to know which event your student would like to attend if they make it in two.

** DO NOT FILTER THIS SPREADSHEET, RATHER USE CTRL+F TO SEARCH FOR A STUDENT (filtering it does not move the highlighting with the moving of names and we have to start over then as a full district highlighting students)

Team Events: Competitors must complete all portions of competitions to qualify for the next level of competition. The maximum registered number on the team must be maintained or can decrease; for example, a team of 2 at DLC cannot increase to a team of 3 for SLC.

Are Substitutions Allowed between DLC and SLC? Substitution Policy:

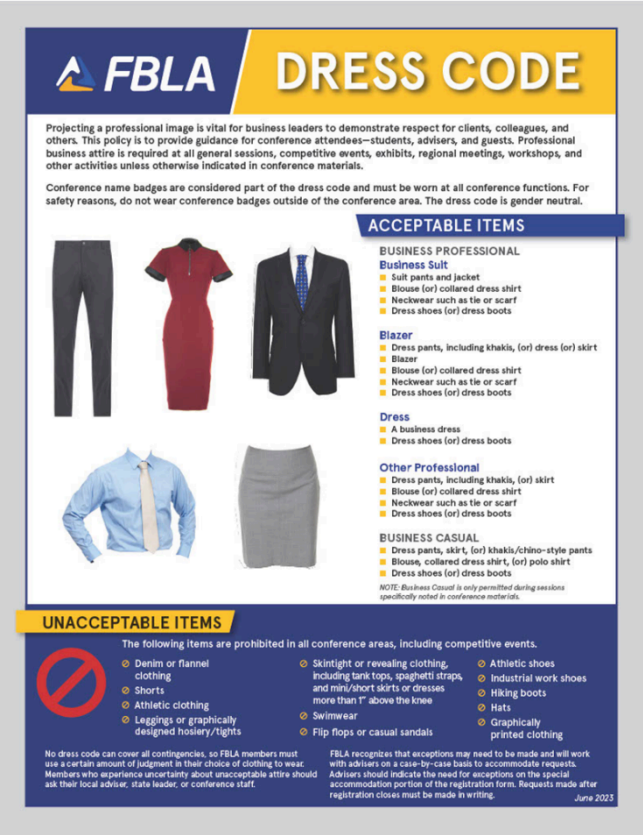

- Competitors must complete all portions of competitions to qualify for the next level of competition. If a student on a team did not complete all portions of their event at DLC, including the presentation, they will be dropped from the team and the team size will be decreased for SLC.

- **INDIVIDUAL/TEAM EVENTS. Only Team Substitutions Allowed, With Exceptions.** If competing as a team that does **not** require a **pre-judged** component (see below), you may substitute one (1) member of a team originally comprised of 2 or 3 members. If competing as an individual, no substitutions are allowed, and his or her spot is forfeited to the next eligible competitor.

- **INDIVIDUAL EVENTS. No.** Substitutions are not allowed for individual events. If an individual cannot participate in the next level of competition, his or her spot is forfeited to the next eligible competitor.
- **PARLIAMENTARY PROCEDURE. Yes, With Exceptions.** You may make substitutions if at least two (2) members of a team of 4, or three (3) members from a team of 5, remain on the team that advances to the next level of competition. Maximum number of substitutions allowed is two (2).
- **PREJUDGED EVENTS. No.** Substitutions are not allowed for prejudged events. However, a team may drop a member if allowed in the event guidelines. If an individual or team cannot participate in the next level of competition, their spot is forfeited to the next eligible individual or team.

Dress Code

The FBLA National Dress Code will be in effect. FBLA members and advisers should develop an awareness of the image one's appearance projects. The purpose of the dress code is to uphold the professional image of the association and its members and to prepare members for the business world. Appropriate attire is required for members during competitive events.

Q: *In how many events can a student participate?*
A: No more than two, only one can be a "live" event (highlighted in the Event Element and Limitation list). Refer to the Competitive Events Element list above.

Q: *How many entries does my chapter receive for each event?*
A: For testing events, chapters receive unlimited entries. For membership-based entries, it depends on your chapter membership as of December 1st of this year. Refer to the Competitive Events Element list above.

- 1-49 members: 3 entries per event
- 50-100 members: 4 entries per event
- 101-150 members: 5 entries per event
- 151-200 members: 6 entries per event
- 201+ members: 7 entries per event

Q: *What are the rules on if a member competed in the event before?*
A: The national guidelines are followed. Members may compete in an event more than once if they have not previously placed in the top ten of that event at the National Leadership Conference. If a member places in the top ten of an event at NLC, they are no longer eligible to compete in that event. This includes events that stayed the same but had a name change.

Q: *Help! I've logged in but I don't see a member!*
A: Verify that your student was on a paid or pending invoice through FBLA Connect. If not, it means the student was not registered by the December 1st deadline to be eligible to compete. Students who were registered after the December 1st membership deadline can be registered for DLC under the "late student" registration attendee type.

Contact Molly Davis at molly.davis@cccs.edu.

Q: *Where is the information on taking tests?*
A: Tests will all take place online, prior to the District Leadership Conference. Advisers will login to Blue Panda when your District testing window opens to download testing tickets. Look for a button titled “E-Testing Login Cards.” The button will not show up on your screen until your window opens.

Q: *How long are the online tests?*
A: Each test is timed and will time out after 50 minutes. If your student needs a testing accommodation, you must list it during conference registration.

Q: *Can students start the test on one day and finish it on another?*
A: No. Students must take the test in one sitting.

Q: *What if I have several students on a team? Do they each take an individual test, or do they collaboratively take one test?*
A: The students will take the test individually. Team objective tests are taken individually by each team member. The scores of all team members will be averaged to determine the average team score. If team members do not sign in to take their tests within 15 minutes of one another, there team will be disqualified from moving on to the next round of competition.

Q: *Where is the information on the production events?*
A: The production part of the Computer Applications event takes place prior to the District Leadership Conference. Information about production tests will be sent out in January via email.

Colorado FBLA Code of Conduct

The purpose of the Code of Conduct is to ensure that FBLA members who attend a conference are aware of expected behavior. It is the adviser's responsibility to discuss the form with the members and stress the importance of abiding by the rules. Colorado FBLA is proud of its reputation and encourages advisers to closely monitor students at all conferences. Advisers must have a signed Code of Conduct in their possession at all FBLA activities and must submit a Certification Form certifying that all members have read and signed the Verification Form.

CONDUCT POLICIES AND PROCEDURES FOR COLORADO FBLA

The following conduct policies reflect minimum behavioral standards for Colorado FBLA members. The policies are in effect for all delegates who are attending any Local, State or National FBLA function. The term "delegate" shall mean any FBLA member.

- Defacing of public property—any damage to or loss of property or furnishings of the properties being utilized for meeting purposes will be paid for by the individual or chapter responsible.
- Delegates shall keep their adult advisers informed of their activities and whereabouts at all times.
- Delegates will not be allowed to leave the conference site at any time without adult supervision.
- Members will be prohibited from participation without local supervision provided by the chapter or school. For the National Leadership Conference a designated local adviser or parent will be expected to accompany the participants.
- Delegates shall not use their own cars or ride in cars belonging to others during the conference unless accompanied by an adviser or other responsible adult.
- Alcoholic beverages and controlled or illegal substances (drugs) of any form are not allowed. These items must not be used or possessed at any time, or under any circumstances. Use or possession of such substances may subject the delegate to criminal prosecution.
- Use of tobacco in any form by an FBLA member is prohibited, including e-cigarettes.
- Participants will NOT be admitted to conference activities and competitive events if in violation of the dress code. Furthermore, competitors will not walk on stage during awards sessions if observed violating the dress code.
- Observe the curfews as listed in the conference program. Curfew is defined as being in your own assigned room by the designated hour.
- Members of the opposite sex are not allowed in sleeping rooms in hotels or motels unless the door is WIDE OPEN or the chapter adviser or responsible adult is present in the room.
- Colorado FBLA photographers and videographers will be taking photos and videos throughout the conference for use in any manner FBLA deems appropriate including, but not limited to, publishing in FBLA publications, on the FBLA website, and in connection with competitive performance events. By attending the conference, you grant FBLA the right, without approval, to photograph, record, use, and edit your photograph, video, image, likeness, appearance, performance, and any other indicia of identity, in any format whatsoever, and to publish, disseminate, exhibit, publicly display, give, sell, and/or transfer the same in any and all forms of media or distribution now known or hereafter discovered or developed (including, but not limited to, print media, Internet, Web casting, video streaming, television or radio), for the use of FBLA, its affiliates, or any individual, organization, business, publication, network or other third party, in perpetuity, without payment or any consideration.

DISREGARDING OR VIOLATING THE CODE OF CONDUCT

Delegates who disregard or violate this code will be subject to disciplinary action, including, but not limited to, competitive event disqualification, forfeiture of privileges to attend further events, confinement to your hotel room, dismissal from the conference, and being sent home at your own expense. Parents and/or guardians will be notified and FBLA reserves the right to notify law enforcement.
